From high remote mountain trails to the first sight of Machu Picchu, the legendary Lost City of the Incas, this is a challenging trek on steep trails climbing to 4200m in fabulously diverse Andean scenery. We trek the classic Inca Trail, culminating in that magical first view of Machu Picchu from the renowned Incan Sun Gate.

Our trek takes us through lush cloudforest, green valleys and high passes with breathtaking views, with time to stop and explore fascinating ruins along the way. There is plenty of time built in to acclimatise to the altitude, and to explore Cuzco, the historic Inca capital.
